PADUCAH, Ky., Dec. 9, 1861. To the Editors of the Lorentz Foundation of Gen.

Lovell, who is charged with its defense, and was supposed to know how important it was to keep the myader from its soil.

To the Editors of the Lorentz Foundation of Gen.

Lovell, who is charged with its defense, and was supposed to know how important it was to keep the myader from its soil.

The treacherons "Court Gardener" suddenly stretched out his long neck, and, after reconnoting on all sides, uttered two or three shrill screams: upon which, as if a tempest had all at conce rushed under the multitude of wings, the country. The unity of the people for separation and the military despotism of the South seems to be a myth, a fancy, a falsehood. They say that

SONG-LAND OF KING COTION.

BT JO, AUGUSTINE SIGNALGO. (dir_Red White and Blue) Oh! Dixie the land of King Gotton,

The house of the brave and the free : A nation by a readom begetten, The terror of despots to be ; Where ever thy banner is streaming, Base tyramny qualis at thy feet,

And Liberry's sun-light is beaming, In splender of majesty sweet. DROBER-Three obsers for our arroy so true Three cheers for Price, Johnston and Lee Benuregard and our Davis forever :

The pride of the brave and the free I

When Liberty sounds her war rattle. Demanding her right and her doe, The first land who rallies to battle Is Dixie, the shrine of the true; Thick as leaves of the forest in summer.

Her brave some will rise on each plain; And then strike, until each vandal comer Lies dead on the soft he would stain. CHORUS-Three cheers for our army, etc.

Fill memory's cup to the brim; May the inurels they've won never perish, Nor " star of their glory grow dim ." May the States of the South nover sever. But charapions of freedom e'er be, May they flourish, Contest'rate forever,

May the names of the dead that we cherish,

CHORUS-Three cheers for our army, etc. THE KING AND THE GOOSE-HERD.

. The boast of the brave and the free.

From the Leisure Hour. "Cothers slick to the last" Most if not all our readers have heard this proverb applied? when some one has attempted what was out of his province. But assuredly code, requiring tax assessors to take strength of none of them ever saw it so royally exemplified

and the possibility that it might be seen and appropriated by some stranger passing by. Unwilling to loose a book he valued, and unwilling flowing from the various interstices of the rocks cut through. Every day two thousand five hundered workmen are employed in boring shafts by means of a recently invented machine, which is worked by atmospheric pressure. It is expected that the tunnel will be completed in shout six years. Its principal result will be to shout six years as book I left lying in such and such a part of the volume, while the lake will spring to loose a book he valued, and unwilling to loose a book be valued, and unwilling to loose a book he valued, and unwilling to retrace the way he had come, while the lake will have none, except when he could send for the volume; but the castile lay te

boy: I give you my word, I'll never undertake The boy fixed a doubting gaze on the mysterious donor of such unexampled treasure, then added, with a wise shake of the head: "Your're a kind gentleman, whoever you may be; but you'll never make a good goose-herd!

A COUNTRY TOWN. The Vandalia, Fayette County Democrat is a pretty spicy paper, and the editor a witty man. The paper is published in the town of Vandalia. Perhaps some of our readers may not know where Vandalia is. If there are any such, we will in

form them that Vandalia is on the line of the Il linois Central railroad-main branch-about twenty-five miles north of Sandoval. For a parcular description of the place, we refer them to the following, by the editor of the aforesaid pa- a magnificent stock of

We should like very much for Dickens to come to some western, one-horse town for a hero.
Such a town as — we could mention, were we isposed to be talkative, where they live upon the leasures of hope. Always happy in the futurealways miserable at present. The time will come when their town will be the commercial emporium of the West. Its greatness looms up in the Shirts, Drawers, Collars, Ready-Made Clothing. be a plan which was crowned with complete success. They calculated what amount of strength and elasticity the cable ought to have, to suit it to the density of the water, and the nature of the submarine bed on which it must be laid. They then made it light and fixible for the deep water, thick and strong for the shallower places, and still stronger as the shores were-approached. In this way they avoided the danger that arises from the too great weight of the cable in deep places, on the one hand, and from friction in shallower places, on the one hand, and from friction in shallower places, on the one hand, and from friction in shallower places, on the one hand, and from friction in shallower places, on the one hand, and from friction in shallower places, on the one hand, and from friction in shallower places, on the conting of the Alps, is proceeding at the present king of the delays. The property is the designant of the delastic places, and still places and on rocky surfaces on the other. They second great work of France, the tunneling of the Alps, is proceeding at the present king of the delastic places, and still properly at the present king of the cable of the deep places, and still properly that presents every appears for the work. It is greatness looms up in the distance likes a lay stack up in the distance likes a lay stack up in the distance likes a lay stack in a fog. At the present king of the country and one of the most loving, as well as not a look store in the places, and it is different times, but they place and first the revert was one. They have a still the memory of the oldest inhabitant serves and the rever was one. They have a still the memory of the oldest inhabitant serves and the term withing there is not a bod store in the places and if the memory of the oldest inhabitant serves and one of the most loving, as well as one of the most loving, as well as one of the most loving the work in the first history that presents every large on the too present large of the standard powers. They have a sose grassy downs which stretch down to the build!" Why their money is all out on interest margin of the lake.

All at once, the king remembered his book.

They did business in those houses thirty years

proffer, and then turned away, singing, with an atterity despair of ever finding a novel hero among them. The dog fight generally culmmates in a just received and for sale by MORRISON & CO. man fight, and a treat all round, after which the "Why do you think I consider you stupid?" happy crowd disperse, with great expectations of another jolly time.

"Because you offer me two gwanzigers for so About sundown you may see from five to eight trifling a service; so much money can not be young men on each street corner, each one with a pine stick in his hand, trying to borrow a jackknife, and each one absolutely lonelier and more dejected than Selkirk or Crusoe. The older men may be seen wa king up and down the sunny "Those up yonder," replied the boy, pointing side of the street, somewhat like a starving hog in the direction of the distant castle, " are ready hunting a hole in a cornfield fence. A long, side of the street, somewhat like a starving ho enough to make sport of the like of us, and ye'te | weary day has worne away, and a long tedious "And suppose I were," said the king; "but thing to do.
